The Newest and Most Stylish Overcoat

The Double-Breasted "Covert" or Top Cont. The "Covert" or English Top Coat has been considered quite the style for young and

dressy men. They have been cut quite short and made single-breasted. In New York some of the dealers are just introducing a modified and very popular style of these garments. The new style is not quite so short, are made up double-breasted, lap scams and raw edges. They are made in medium weights, plain and mixed colors. They are bound to take a leading place with stylish and dressy men. We received two or three different lots of them on Saturday. Our line at \$18 is the best and handsomes: coat, we think, that is shown in Washington for that money. Come and look at them,
